Hi Jeff,

If you're still representing the EHBID, can you please figure out for us what the location of the meeting is and at what time the meeting will be held? If you're not still representing them, of course, please ignore this.

It's not clear from the material sent when and where the meeting is and Jacob isn't responding. I imagine that if it is meant to be at 10 a.m. on Friday you'll want to have this sorted out by tomorrow at 10 a.m.

Thanks for your help.
